Core Competencies

Technology & Artificial Intelligence Services

Custom Computer Programming Services
Development of AI-driven applications, virtual assistants, and custom automation tools tailored to client-specific needs.
NAICS: 541511 – Custom Computer Programming Services

Computer Systems Design Services
Design and integration of comprehensive computer systems, combining hardware, software, and communication technologies.
NAICS: 541512 – Computer Systems Design Services

Computer Facilities Management Services
On-site management and operation of client IT infrastructure and data processing facilities.
NAICS: 541513 – Computer Facilities Management Services

Other Computer Related Services
Specialized services including disaster recovery solutions, software installation, and optimization of IT environments.
NAICS: 541519 – Other Computer Related Services

Cloud Computing & Virtualization
Implementation and support of scalable cloud solutions, virtual desktop environments, and data migration strategies for secure and efficient IT operations.
NAICS: 518210 – Data Processing, Hosting, and Related Services

IT & AI Project Management
Comprehensive project management services for IT and AI initiatives, ensuring timely delivery, budget adherence, and alignment with organizational goals.
NIGP: 918-71 – IT Consulting; 918-29 – Computer Software Consulting

Software Maintenance & Support
Ongoing support and maintenance services for software applications, ensuring system reliability

and performance optimization.
NIGP: 920-45 – Software Maintenance and Support

System Implementation & Engineering Services
Deployment and engineering of comprehensive IT systems, including hardware and software integration, tailored to client specifications.
NIGP: 920-64 – System Implementation and Engineering Services

Data Processing Services
Management and processing of data to support business operations, analytics, and decision-making processes.
NIGP: 961-30 – Data Processing Services

Technology Training & Instruction
Provision of training programs to enhance technical skills and knowledge in technology applications and systems.
NIGP: 924-75 – Technology Training and Instruction Services

IT Equipment & Peripherals Supply
Procurement and provisioning of computer equipment, servers, peripherals, and technical support tools for enterprise and public sector clients.
NIGP: 204-53 – Microcomputers; 204-54 – Minicomputers

🏗 Construction & Engineering Services

Poured Concrete Foundation and Structure Contractors
Execution and management of concrete foundation and structural finishing for construction projects.
NAICS: 238110 – Poured Concrete Foundation and Structure Contractors

Drywall and Insulation Contractors
Drywall installation and insulation services aimed at improving energy efficiency and building quality.
NAICS: 238310 – Drywall and Insulation Contractors

Painting and Wall Covering Contractors
Provision of interior and exterior painting services, as well as wall covering installations.
NAICS: 238320 – Painting and Wall Covering Contractors

Site Preparation Contractors
Land and site preparation services include excavation, grading, and clearing to ready sites for construction.
NAICS: 238910 – Site Preparation Contractors

General Construction Management
Supervision and coordination of multi-trade construction projects to ensure timely delivery, code compliance, and budget alignment.
NIGP: 958-26 – Construction Management Services

Supply & Wholesale Distribution

Other Construction Material Merchant Wholesalers
Distribution of a variety of construction materials including prefabricated structures and ornamental ironwork.
NAICS: 423390 – Other Construction Material Merchant Wholesalers

Plastics Materials and Basic Forms and Shapes Merchant Wholesalers
Supply and wholesale distribution of plastics materials and basic forms for use across industrial and construction sectors.
NAICS: 424610 – Plastics Materials and Basic Forms and Shapes Merchant Wholesalers

Wholesale Trade Agents and Brokers
Acting as intermediaries in wholesale transactions without taking ownership of goods.
NAICS: 425120 – Wholesale Trade Agents and Brokers

IT & Office Equipment Distribution
Wholesale supply of information technology and office equipment, supporting digital enablement in commercial and public institutions.
NAICS: 423430 – Computer and Computer Peripheral Equipment and Software Merchant Wholesalers
